

## Assessment Tool for Ready to Read

Identify 8 of the following letters of the alphabet and give their sounds:

m      o      h      a      g      w      p  
b      d      k      r      n      e      q  
z      t      c      j      x      f      u  
y      s      l      v      i

Print 3 lowercase letters and 3 uppercase letters (this does *not* need to be from memory):

\_\_\_\_\_

\_\_\_\_\_

Use phonetic skills to sound out the following words:  
(These words will change each time the tool is used)

sad                      pig                      hen  
                                 top                      cut
